## Do you need extra care for Christmas?

Christmas is the busiest time of year, but New Directions are able to offer a helping hand with domestic duties and Christmas shopping, or extra support to carers who require respite. Not only is Christmas busy – it's time to celebrate! Our staff can provide companionship at social gatherings, or extra hours for carers who wish to go out and celebrate, so book in advance.

## Children in need

The great British public has risen to the occasion once again and raised an astonishing £20,991,216 for BBC Children in Need, beating all previous records and taking the total since the telethon began to over half a billion pounds!

New Directions held a "dress down" day and are proud to have raised £76.66!

## Quality Assurance

We are committed to providing a superior level of service and we strive to offer the most appropriate candidate to suit all our clients requirements and specifications. Recently we have been sending questionnaires to all our candidates and clients to assess our service – results to be published soon!

Congratulations to Karen Fawcett and Mrs. Thomas who won £30 Marks and Spencer vouchers in the prize draw, for returning the questionnaire!
